"A GREAT PLACE TO LIVE"

PRESS RELEASE

The Con: How Scams Work and How to Protect Yourself

Watauga, Texas - Join the Watauga Public Library on Thursday, August 1st from 6:30 p.m. to 7:30 p.m. when author, magician, and professional speaker James Munton will teach you how to avoid getting conned. An expert in all forms of deception, Munton's presentations are fascinating, entertaining and compel his audiences to take action.

Speakers often fall into one of two camps. Some are dynamic and entertaining, but lack real content while others are knowledgeable and informative, but are so boring they send their audiences to sleep! It is rare to find a presenter who combines laugh-a-minute humor AND provides fascinating and useful information. Munton's training as a magician makes his presentations especially entertaining.

James Munton is a dynamic performer who both entertains and educates audiences on how to protect themselves from a wide range of high-tech and traditional scams.

This presentation is FREE and open to the public! Call 817.514.5865 for more information.
