OUTDOOR SPECIAL EVENT REQUIREMENTS

Plans

- Detailed Site plans with all vendors, rides, and equipment location must be submitted to Permit Department at least 15 days prior to the scheduled opening of the show. It is not necessary to show the details of individual booths or tents.

General Safety & Needs

- Tents (over 200 square feet) must meet the 2003 International Fire Code,
- All temporary electrical wiring shall be installed in accordance with the 2005 National Electrical Code
- Stages and platforms must meet the 2003 International Building Code – Section 410
- Trip hazards – electrical cords or other obstacles must be clear of foot traffic.
- Temporary Heating devices shall be used in accordance with the 2003 International Fire Code. (Fire Marshal Approval Required)
- Secure compressed gas cylinders to prevent cylinders from falling or being knocked over.

Sanitation

- Provide adequate restroom facilities for projected attendance. (Final approval on # required and placement location to be determined by Building Official)
- All waste shall be collected as it accumulates, and stored in non-combustible, covered containers, which are emptied as necessary, but as a minimum at the close of each day.
- Each exhibitor shall provide an approved non-combustible container, with an approved cover, for daily accumulation of waste material.

Fire Department Access

- Fire lanes shall not be obstructed or barricaded at any time in any manner. Vehicles shall not be parked in designated fire lanes at any time.
- Fire hydrants and fire department connections must be maintained with a 3-foot clearance, and no parking within 15 ft. of fire hydrant
- Access for Fire and EMS must be maintained if event is not on improved surfaces. (Fire Marshal Approval required)
- Temporary Fire Lanes may be required (Fire Marshal Approval required)

Sources of Ignition

- “NO SMOKING” signs shall be posted throughout those areas designated by the Fire Marshal where smoking is prohibited, which includes all tents.
- All hay and straw shall be flame retardant or covered with a flame retardant tarpaulin.
- Sawdust and shavings shall be maintained flameproof at all times, by wetting down each day.
- Open flames, and burning or smoke-emitting materials when used as a part of an act, display, or show are prohibited unless permitted and approved prior to the event by the Fire Marshal.

Fire Extinguishers

- Typically, one 2A-10BC rated fire extinguisher shall be provided for every booth, display, ride or concession.
- Extinguishers shall be inspected annually for proper maintenance and tagged by state licensed individuals.
- Extinguisher must be recharged or replaced immediately after use.

OUTDOOR SPECIAL EVENT REQUIREMENTS

Food Concession Providers

- Tarrant County Health Department Temporary Food Establishment Inspection required
- Booths or Concessions used for cooking will have a 10-foot clearance on two sides and a 10-foot clearance from any amusement equipment or ride
- Absolutely no one under the age of sixteen allowed in food concession booths (unless prior approval by Fire Marshal)

Enclosed trailer or Vehicle:

- Commercial cooking which produces grease laden vapors shall be equipped with ventilation hoods and approved automatic extinguishing systems
- One Class K rated fire extinguisher shall be provided within 30 feet of food processing equipment which produces grease-laden vapors.
- One 2A-10BC rated fire extinguisher shall be provided for every booth
- Extinguishers shall be inspected annually and Extinguishing systems semi-annually for proper maintenance and tagged by state licensed individuals.
- Exit ways shall be clear of obstructions.

Outdoor Cooking and Food Service:

- No Open flame cooking is allowed (Unless prior permission is given by Fire Marshal)
- Tents where cooking is performed shall be separated from other tents, canopies or membrane structures by a minimum of 20 feet
- One Class K rated fire extinguisher shall be provided within 30 feet of food processing equipment which produces grease-laden vapors.
- One 2A-10BC rated fire extinguisher shall be provided for every booth
- Extinguishers shall be inspected annually
- Secure compressed gas cylinders to prevent cylinders from falling or being knocked over, and store away from heat source
- Exit ways shall be clear of obstructions.

IF YOU HAVE ANY FURTHER QUESTIONS PLEASE CONTACT THE FIRE MARSHAL OFFICE AT (817) 514-5880
